7. **Church Planter Assessment** (Send in a 1-2 paragraph summary or a copy the actual assessment if you prefer). We strongly encourage that a formal assessment be done. Remember that the purpose of the assessment is to discern areas of strength and non-strength so that the church planter can recruit teammates accordingly. All that is required for the grant is a summary of the assessment or alternatively a statement indicating why the district (you) feel this person will be an effective church planter.
