## **LEADERSHIP/MINISTRY SKILLS**

As a police officer for the past 27 years, I have attended many conflict resolution trainings, legal trainings, peaceful de-escalation training, investigative training, interviewing technique, etc, in dealing with people, the legal system, crimes and disputes. I am a good listener. I am open-minded. I follow facts. I value others' opinions. I am a team player. I believe in biblical principles and moral standards. I believe these qualities help me to work well with others to serve the interest of the Hmong District, more importantly, to faithfully discharge my duty as a DEXCOM member for the interest of God. My ability to listen to others allows me to take all views into account and give my honest opinion in all matters. I believe I am a humble person where the credit belongs to the Lord, not me. I believe all the members of the DEXCOM is like that in 1 Corinthian 12:12-13.
