

REV. XENG YANG, MDIV.

MISSIONS DIRECTOR • HMONG DISTRICT OF THE CHRISTIAN AND MISSIONARY ALLIANCE

VISION

I believe the Lord has called me to lead the Hmong District into the ministry of reconciliation, restoration, healing, and being United in King Jesus. My vision as the District Superintendent would be to bridge our theological, cultural, generational, and ministry divides. Each of our churches are to be equipped to minister effectively to our first, second, and third generation Hmong believers through cultivating healthy ministry cultural contextualizations.

I believe that the Fourfold Gospel is not just our Alliance Distinctive, but it is our ecclesiology and missiology. Each believer is to be saved, sanctified, and empowered to take “All of Jesus” to the world. A united Church under King Jesus and empowered by the Holy Spirit can then be mobilized to disciple those in our churches, evangelize the lost in our community, reach the Hmong people with the gospel, and send workers to the unreached peoples of the world.
