## 40 Year Legacy Project

Celebrating forty years of God's grace is evident today from the fruits of Alliance Women Ministries of the Hmong District (KHN). We have come this far because of God's love and grace through the years. But where do we go from here? Jeremiah 29:11 states "For I have a plan for you, a plan to prosper you and not to harm you, a plan to give you hope and a future."

At the Hmong District 43<sup>rd</sup> Annual Conference we launched the 40 Year Legacy Project during our Alliance Women Ministries' celebration. Therefore, Alliance Women Ministries of The Hmong District is asking you and your local ladies to join us in PLANTING this SEED(s) to the next 40 years and beyond. For if we do not plant this seed, who will? We aspire to partner up with Hmong Christian Institute (HCI) to build a women's study curriculum and or programs equipping our women, pastor's wives, young adult women, and girls to lead and live biblically into the future. We invite you to partner with us in raising \$40,000 (2022 & 2023).

We ask all local ladies to give generously what God has already put in your heart through anyway possible: fundraising/love offering to help us achieve this goal of \$40,000. We know that we can achieve this goal with God's help for "There is still room" (Luke 14:22b) for other women and young girls to receive the Good News. Your faithful prayers and donations will make this possible! Please send all donations by December 31, 2023.
